**NELSON COUNTY SCHOOL DISTRICT
LOCAL/STATE BOARD FACILITIES HEARING REPORT
AMENDMENT NO. 1**

A Local/State public hearing was held at the Nelson County School Board Office on May 16, 2008, at 5:30 p.m. (EST). The purpose of the public hearing was to propose an amendment to the District Facility Plan developed by the Nelson County Local Planning Committee. The Local Planning Committee (LPC) voted 14-0 in favor of the proposed amended plan and the Board voted 5-0 to approve the amendment.

There was (1) one individual in attendance. Janice O. Lantz, Superintendent, served as the state-appointed hearing officer. Penny Bradley, LPC Chair, was present.

COMMENTS

Dr. Lantz called the public hearing to order and welcomed the LPC Chair. The hearing officer outlined the purpose of the hearing and the hearing procedures in accordance with 702 KAR 1:001. It was explained that those persons wishing to speak would be given the opportunity, that written statements would be accepted, and that all considerations would be made available to the Kentucky Board of Education via the hearing officer's report. The hearing officer read the proposed amendment to the District Facility Plan that included: **major renovation and additions to the Foster Heights Elementary School and the designation of Old Kentucky Home Intermediate School to a transitional building.**

The floor was opened to those who wished to make a statement. No one asked to address the hearing officer. Dr. Lantz noted that the LPC and the Nelson County Board of Education worked hard to develop the amendment and expressed her thanks for the work that was accomplished by both groups.

RECOMMENDATIONS

It is recommended that the Amended District Facility Plan developed by the Nelson County Local Planning Committee and adopted by the Nelson County Board of Education be approved as the District Facility Plan for the Nelson County School District. A copy of the amended plan is attached.

Respectfully submitted,

Janice O. Lantz, Hearing Officer
